

TEACHER CRISIS IN OHIO

Adair Kielmeyer | Claire Mercer
Adrienne Michelson | Jacob Williamson

ANALYSIS BY
THE AVERAGE JOES

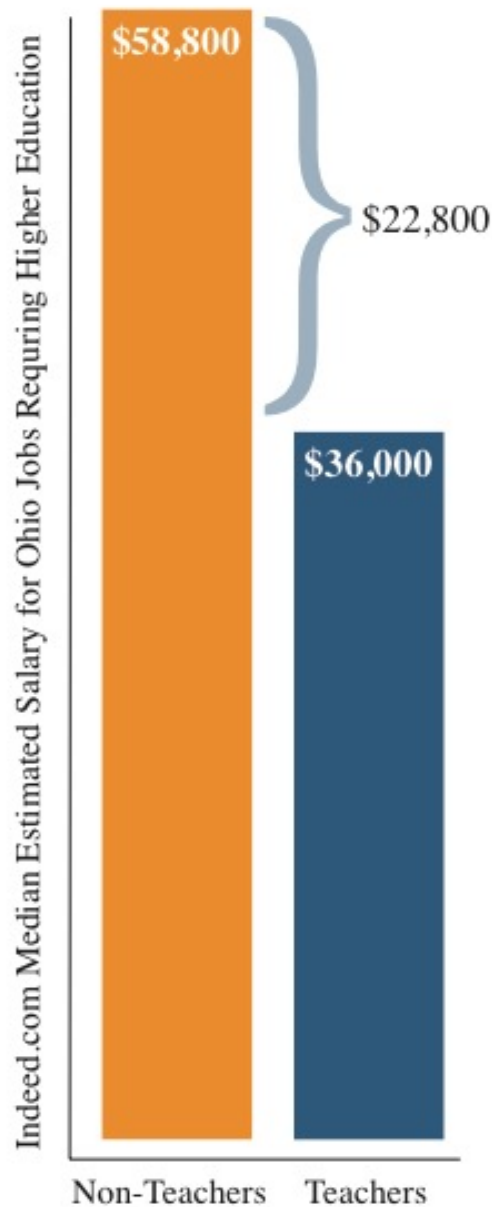

INTRODUCTION

- The purpose of our analysis was to gain insight into the uncertain future of the Ohio teacher job market given the recent teacher strikes in West Virginia.
- **Indeed.com Data:**
 - Distinct jobs
 - Grouped job titles to “Teacher” or “Non-Teacher”
 - Included states: KY, IN, MI, PA, OH, WV
 - Education requirement of “Higher Education”
- **Ohio Treasury Data:**
 - Distinctly considered a public school teacher
 - Any “Higher Education” degree
 - Minimum salary of \$17,300

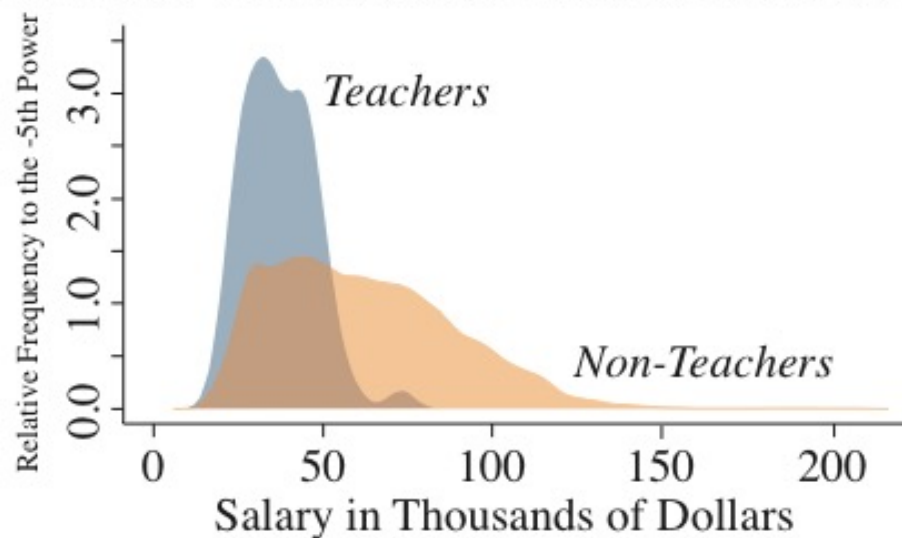

METHODS

- Compared frequency of teacher and non-teacher estimated salaries within Ohio and surrounding states
- Compared frequency of estimated teacher salaries to actual teacher salaries (Ohio Treasury data) within Ohio
- Compared median estimated salaries between the states surrounding Ohio
- Compared median teacher and non-teacher estimated salaries within Ohio
- Identified estimated teacher salaries in major Ohio cities

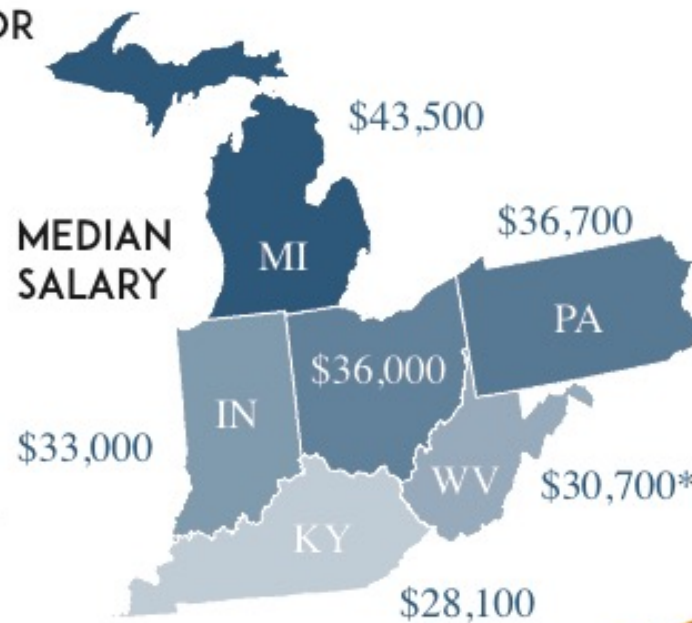

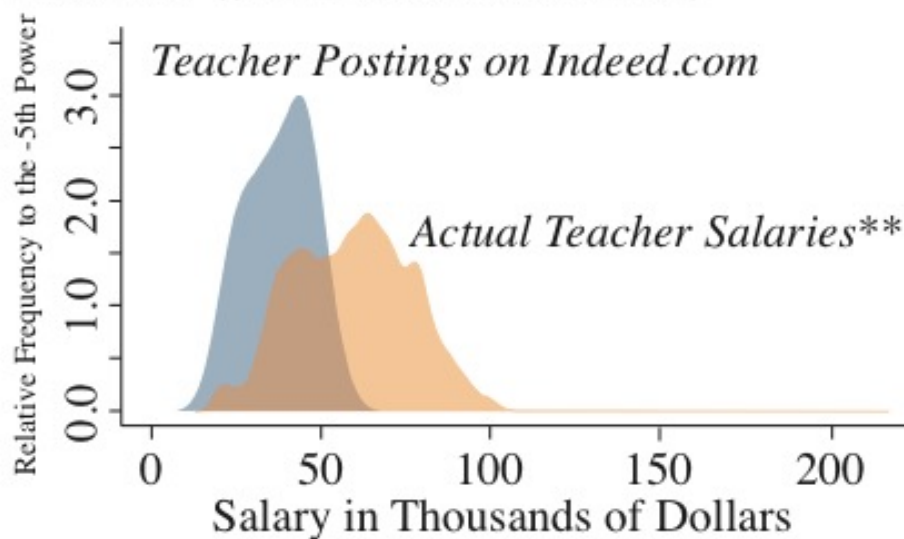

OHIO JOBS REQUIRING HIGHER EDUCATION

INDEED.COM ESTIMATED SALARY FREQUENCY FOR POSTINGS WITH REQUIRED HIGHER EDUCATION

SALARY FREQUENCY FOR TEACHERS WITH HIGHER EDUCATION
